Date: 15th December, 2023

Open Tender Procedure for Automatic Horizontal Baling Machine (Revised)

Project: WWF TH-PSC-TVA Project (Ref. TH0079 40002222-403102)

Overview:

Wongpanit Krabi invites qualified and experienced suppliers to participate in an **“Open Tender Procurement”** and is invited to **“Submit a Bid”** for the procurement of an **Automatic Horizontal Baling Machine**. This initiative is part of our commitment to sustainable waste management and environmental conservation in Hat Yai City and Songkhla City.

Open Tender Procedure duration: 15th December 2023 to 29th December 2023

Number of Machines: 1 Unit

Eligible Tenderers: Tenderers shall be excluded from participation in a procurement procedure if:

- a) they are bankrupt or being wound up, are having their affairs administered by the courts, have entered into an arrangement with creditors, have suspended business activities, are subject to proceedings concerning those matters, or are in any analogous situation arising from a similar procedure provided for in national legislation or regulations. However, tenderers in this situation may be eligible to participate insofar as the Grant Recipient is able to purchase supplies on particularly advantageous terms from either a supplier that is definitively winding up its business activities or the receivers or liquidators of bankruptcy through an arrangement with creditors or through a similar procedure under national law;
- b) they or persons having powers of representation, decision-making, or control over them have been convicted of an offense concerning their professional conduct by a final judgment;
- c) they have been guilty of grave professional misconduct, proven by any means which the Grant Recipient can justify;
- d) they have not fulfilled obligations relating to the payment of social security contributions or taxes in accordance with the legal provisions of the country in which they are established, or with those of the country of the Grant Recipient or those of the country where the contract is to be performed;
- e) they or persons having powers of representation, decision-making or control over them have been convicted for fraud, corruption, involvement in a criminal organization or money laundering by a final judgment;

f) they make use of child labor or forced labor and/or practice discrimination and/or do not respect the right to freedom of association and the right to organize and engage in collective bargaining pursuant to the core conventions of the International Labor Organization (ILO).

Qualitative Criteria:

1. Provide information on their legal form and ownership structure.
2. Provide details of your company's experience in supplying automatic horizontal baling machines and share references from precious clients.
3. Outline the technical specifications of your automatic horizontal baling machines.
4. Detail the after-sales services and spare parts.
5. Clarify your warranty procedures.

Specifications:

Type of Machine: Automatic Horizontal Baling Machine with auto wiring and open-mouth hopper.

1. Bale Size: L(<2400mm) x W(<1200mm) x H(<1200mm)
2. Electrical System: 3 phase / 380V / 50HZ
3. Machine Weight: <30,000kg
4. Automatic Wiring System: 5 Wires
5. Bale Weight: >300 kg for Plastic, >1,000 kg for Paper
6. Required Cooling: Water Cooling System for Hydraulic Oil
7. Operation Mode: Fully Automatic/Manual Switch-over Option
8. Bale Ejection Direction: Left/Right
9. This specification outlines a heavy-duty baler with a variable bale size and weight capacity suitable for different materials, along with a flexible operational mode and the need for a cooling system for hydraulic oil.

Tender Process:

Wongpanit Krabi Co., Ltd is inviting and looking for interested and qualified suppliers to participate in the open call procedure. Suppliers must submit relevant documents showcasing their experience, technical capabilities, and financial stability. An evaluation committee will assess the documents based on these criteria. The successful supplier will be selected, and a contract will be awarded.

Wongpanit Krabi Co., Ltd
313 Moo3, Nuea Klong
Nuea Klong
Krabi 81130, Thailand

Submission Guidelines:

Interested suppliers should submit a comprehensive proposal addressing each of the above-mentioned criteria. Submissions are to be sent to Mr. Seksan Udomsri at seksanu@gmail.com, +66 89 998 7899. Proposals will be evaluated by a committee based on the outlined criteria.

Evaluation: The Wongpanit Krabi committee party will bid based on predetermined criteria such as cost, technical specifications, and compliance with tender requirements to align with Wongpanit Krabi's procurement process.

Wongpanit Krabi's committee: 3 persons

1. Dr. Seksan Udomsri (Managing Director, Bachelor's degree, Master's degree, and Ph.D. in Mechanical Engineering, KTH professor and advisor).
2. Mr. Setta Udomsri (Managing Director, Bachelor's Degree in Mechanical Engineering and Master's Degree in Manufacturing Engineering and Management).
3. Mr. Siripong Chaiyapong (Engineering Manager, Bachelor's Degree in Mechanical Engineering).
4. Mr. Chareonchai Sae-Chin (Material Engineering, Bachelor's Degree in Material Engineering)

Award: The successful bidder will be notified by email, and the contract will be awarded following negotiations and finalization of terms.

Contract Signing: The awarded supplier and Wongpanit Krabi will sign a contract detailing the terms, conditions, and delivery schedule.

Note: Wongpanit Krabi reserves the right to reject any or all bids and is not bound to accept the lowest-priced bid. This tender is conducted in a fair and transparent manner.

We encourage all eligible suppliers to participate in this Open Tender Procedure, contributing to Wongpanit Krabi's efforts in waste collection and management.

Thank you for your interest in contributing to our commitment to environmental sustainability.

Sincerely,

Mr. Seksan Udomsri
Project Leader
